## Comfort with Endless Possibilities!

Alicante is a family of beautiful collaborative seating with soft curving lines and luxurious comfort. High back models offer a secluded place of comfort to get away from the buzz of the open office. Alicante modules are great for collaboration zones and can be configured in many different shapes to suit almost any space. Alicante modules can also be joined together to create as long a setting as you want.

Choose from dual-tone Valera Grey fabric or specify your own upholstery to create the look you want.
