PRODUCT TYPE

Chair

German designer Sebastian Herkner draws inspiration from the organic shapes of pecan nuts to bring his design for Punt to life. The backrest and seat in oak wood reflect the concept, which is framed by the fine, subtle and elegant metallic structure that embraces the whole. A comfortable, polyvalent and stackable chair that has proven to work in any space, from living rooms and kitchens to restaurants and offices. An essential and sophisticated proposal that stands out for the delicate lightness with which it rests in its surroundings.

TIPOLOGÍA DE PRODUCTO

Silla

El diseñador alemán Sebastian Herkner se inspira en las formas orgánicas de las nueces pecanas a la hora de dar vida a su propuesta para Punt. El respaldo y asiento en madera de roble reflejan el concepto, que queda enmarcado por la fina, sutil y elegante estructura metálica que abraza el conjunto. Una silla confortable, polivalente y apilable que ha demostrado funcionar en cualquier espacio, desde salones y cocinas hasta restaurantes y oficinas. Una propuesta esencial y sofisticada que destaca por la delicada ligereza con la que se posa en el entorno.
